

The Member of Parliament Local Area Development Scheme (MPLADS) was launched in the year 1993 with the primary purpose of providing financial support to undertake public works in Member of Parliament (MP) Constituencies under the corpus fund created by the Central Government. Under this Scheme, each MP can recommend public works in their respective district(s) of their Constituency or other districts. These proposals, if accepted, are undertaken by respective authorities.

The Ministry of Statistics and Programme Implementation (MoSPI) has published various time to time reports on the implementation of MPLADS with data containing details such as types of works proposed, the status of the work proposals, amount requested, amount granted, expenditure incurred, total amount granted, status of the proposal, status of the work sanctioned, etc., from the year 1996 to 2023. Based on these reports, Factly has made following historically compiled datasets:

**List of Datasets:**

- Year-, State- and MP-wise List of Works and Funds sanctioned under MPLADS funds allocated for Sitting Rajya Sabha Members
- Year-, State- and MP-wise List of Works and Funds sanctioned under MPLADS funds allocated for former Rajya Sabha Members
- Year-, State-, District-, Constituency- and MP-wise List of Works and Funds sanctioned under MPLADS funds allocated for 17th Lok Sabha members
- Year-, State-, District-, Constituency- and MP-wise List of Works and Funds sanctioned under MPLADS funds allocated for 16th Lok Sabha members
- Year-, State-, District-, Constituency- and MP-wise List of Works and Funds sanctioned under MPLADS funds allocated for 15th Lok Sabha members
- Year- and State-wise Total MPLADS Funds entitled by States and Total Funds released by GoI
- Year-, State-, District- and MP-wise Total Amount of MPLADS Funds released to Sitting Rajya Sabha and 17th Lok Sabha Members

- Year- and Quarter-wise MPLADS funds released to Rajya Sabha and Lok Sabha Members
- Year-, State-, Constituency- and MP-wise Total Entitled, Released, Sanctioned and Unspent MPLADS funds
- State-wise Total MPLADS Funds Released, Sanctioned, Expended, Unspent and Unsanctioned
- State-, Constituency- and MP-wise Total Entitled, Released, Sanctioned and Unspent MPLADS funds

**MPLADS scheme and administration process in brief:**

The main objective of the Scheme is to enable MPs, both Rajya Sabha and Lok Sabha Members, with financial support to propose for public works developmental in nature, with emphasis on the creation of durable community assets based on the locally felt needs of the people.

The procedure for proposing the public works by the MPS and executing the work by the authorities is detailed in the [MPLADS Guidelines](#) published by the MoSPI. The guidelines prescribe 3-tier administrative system to implement the Scheme with MoSPI as the Central Nodal Monitoring Authority and respective State and District Authorities as the Implementing Authorities. In a nutshell, the procedure involves the proposal of particular works to be done in the district(s) of the constituency from which a MP is elected or in other districts to the District Authority. The said authority then verifies and either approves or rejects the proposal of work. If the work is accepted, its execution is undertaken by the district authorities. For more information on the Scheme and procedure involved, please refer to the guidelines.

**Territorial jurisdiction for MPLADS works:**

The above-mentioned guidelines prescribe the territorial jurisdiction in which public works can be proposed by Lok Sabha and Rajya Sabha MPs. It is as under:

| Sl. No. | Member of Parliament     | Choice of Nodal District                                                                 |                            | Region in which works can be recommended                                 |
|---------|--------------------------|------------------------------------------------------------------------------------------|----------------------------|--------------------------------------------------------------------------|
| 1.      | Elected to Lok Sabha     | If Lok Sabha Constituency is within the jurisdiction of one district                     | The district concerned     | Within their respective constituencies, except as provided in para 3.1.2 |
|         |                          | If the Lok Sabha Constituency is spread over the jurisdiction of more than one district. | Any one of these districts |                                                                          |
| 2.      | Elected to Rajya Sabha   | Any district in his/her State of Election                                                |                            | Within the State of Election, except as provided in para 3.1.2           |
| 3.      | Nominated to Rajya Sabha | Any district in the country                                                              |                            | Anywhere in the country                                                  |

**3.1.2** - An elected Member of Parliament can also recommend works anywhere in the country outside the usual region in which he/ she can recommend work as mentioned in para 3.1.1 above, subject to the following conditions:

- **3.1.2.1** - There shall be ceiling of Rs. 25 lakhs in a financial year per Member of Parliament for all such recommendations, except in case of calamity.
- **3.1.2.2** - In case of calamity, a Member of Parliament can contribute his MPLADS fund for work in affected areas as per the conditions mentioned in Chapter 8 of these Guidelines.

MoSPI reports on [MPLADS](#)

#### Important Notes:

- The datasets contain historically compiled data for 10 to more than 20 years. Hence, the information contained in them is voluminous. Some of the datasets contain the column with the names of works or projects which have been proposed or sanctioned. Since

these works names are different, voluminous, and because they cannot be verified, they have not been standardized. Therefore, names of the works have been given in the datasets as they are presented in the raw data.

- Due to Covid19 pandemic, MPLADS was suspended from April 6, 2020 to November 9, 2021, and no funds were allocated to the scheme for FY 2020-21.
